POLICY OF VITAL SPEECHES

The publishers of Vital Speeches believe that the important addresses of the recognized leaders of public opinion constitute the best expressions of contemporary thought in America, and that it is extremely important for the welfare of the nation that these speeches be permanently recorded and disseminated. The publishers have no axe to grind. Vital Speeches will be found authentic and constructive.

It is the policy of the publishers to cover both sides of public questions and to print all speeches in full. Where it is necessary to condense a speech for reasons of unusual length or the use of extraneous matter, it will be so stated when printing. They feel that it is only in the unedited and unexpurgated speech that the reader can best obtain the views of the speaker.

This material gives the reader the best thought of the best minds on current national problems. It also offers the student of public speaking examples of the effective speech of today of those who have attained leadership in the fields of economics, politics, education, sociology, government, criminology, finance, business, taxation, health, law, labor, etc. Thus the student of public speaking obtains the finest text book material with a sound knowledge of public questions.

Subscribers are urged to call the Editor's attention to any speeches which have impressed them as outstanding so that copies may be secured for review.

VITAL SPEECHES OF THE DAY is published twice a month by the City News Publishing Co., (Inc. 1911), 1 Wolf's Lane, Pelham, N. Y. Telephone 914-738-1234. Thomas F. Daly, Jr., President and Treasurer, M. P. Daly, Vice-President, K. D. Hoey, Secretary.

Subscription Rates: $8.00 a year. Two years $15.00. Single copies 40 cents. (Special group rates to students for a period of 4 months; $1.50 each for ten or more; $1.25 each for 25 or more. All to be sent to one address). Back issues, if available, 50 cents a copy. Microfilm editions $4.00 per volume. On orders under $3.00, remittance must accompany order.

Vital Speeches is Indexed in The Reader's Guide to Periodical Literature. An annual index is printed each November and distributed to all subscribers. Cumulative Index, Volumes 1-25, $12.50 per copy. Volume Binders for Vital Speeches $3.50. Vital Speeches will be found on file in thousands of public, college and high school libraries throughout the United States.
